Summer 2024 Academic Calendar Fall 2024 Academic Calendar and Finals Schedule	Spring 2025 Academic Calendar and Finals Schedule Summer 2025 Academic Calendar
--	--

Fall and spring terms are 16 weeks in length: Fall starts mid to late August and goes through mid-December. Spring starts around early January and goes through mid-May. Summer sessions vary in length from 4 weeks to 12 weeks, May through August, with classes typically meeting Monday through Friday. Courses are available on the main campus in Madison and online.

Note: No student will be required to participate in more than three evaluative activities on any one day of the final exam week. Permission to reschedule a final evaluative activity should be sought before mid-semester if at all possible. The student, after consulting with or advisor, should petition the dean responsible for the activity to be changed by completing the “Final Week” form which is available on the DSU portal. The dean will coordinate and approve the necessary rescheduling. Any changes or deviations in the schedule for an individual student must have advance approval of the dean in which the college the course is taught.

Note: *Dates and events are subject to change. Changes will be communicated to campus via email, campus newspaper or other means as appropriate.*
